

Privacy Statement

Your privacy is important to Vascular Specialists of Central Florida (VSCF) This privacy statement provides information about the personal information that VSCF collects and the ways in which Vascular Specialists of Central Florida uses that personal information.

Sources of Personal Information

A patient shall provide Vascular Specialists of Central Florida with personal data and permission sufficient for the engagement of activity in the Vascular Specialists of Central Florida site. This data may be modified by a user (you) to update record retention and for effective communication.

Users or Registrants (you) – may enter personal data and register for use of the Vascular Specialists of Central Florida site.

Personal information collection

Vascular Specialists of Central Florida may collect and use the following kinds of personal information:

- Information about your use of this website (including interests, types of programs taken, professional credentials, and exam participation records;)
- Information that you provide using for the purpose of registering with the website (including contact information such as name, address, email, phone, profession, and other interests or responses collected by your participation in programs;
 - Information about transactions carried out over this website;
 - Information that you provide for the purpose of subscribing to the website services; and
 - Any other information that you send to Vascular Specialists of Central Florida.

Using personal information

Vascular Specialists of Central Florida may use your personal information to:

- administer this website;
- personalize the website for you;
- enable your access to and use of the website services;
- publish information about you on the website;
- provide reports to clients including, sponsors, accreditors, and supporting organizations;

- supply to you services and programs;
- send you marketing communications via email or other electronic communication;
- treatment and payment operations to the extent allowed by the Health Insurance Portability Act of 1996 (HIPAA).

Where Vascular Specialists of Central Florida discloses your personal information to its agents or sub-contractors for these purposes, the agent or sub-contractor in question will be obligated to use that personal information in accordance with the terms of this privacy statement.

In addition to the disclosures reasonably necessary for the purposes identified elsewhere above, Vascular Specialists of Central Florida may disclose your personal information to the extent that it is required to do so by law, in connection with any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights.

Communication permissions

Vascular Specialists of Central Florida's system is dependent on the ability to communicate and transfer documents and information by electronic means such as email, text, or other electronic means. Your participation in Vascular Specialists of Central Florida's programs or those of its clients require your authorization of electronic communications by Vascular Specialists of Central Florida. Changes to permissions can always be made in the user profile section.

Cookies

We use cookies to keep you logged in during your account access sessions on the Vascular Specialists of Central Florida site. We do not use the information for any other purpose.

Sponsor or Client Provided Data

Occasionally, a client or sponsor may wish to pre-register its audience with Vascular Specialists of Central Florida so that accounts are quickly facilitated. When such data is provided, it is understood that the sponsor or client has permission to transmit such data into the Vascular Specialists of Central Florida platform. Vascular Specialists of Central Florida then creates the account and uses the information only to the degree necessary for access to sponsor or client programs.

Legal Considerations

Laws often change with respect to privacy and personal data. In this regard, Vascular Specialists of Central Florida adheres to its policy of respect and privacy of information according to current law. We only collect information necessary for the correct operation

of our education platform, conducting customer service, or fulfillment of our hosting and service agreements with clients and sponsors, or in any defense necessary in a court of law. At the time of account creation all users are asked to consent to the privacy and terms and conditions posted by Vascular Specialists of Central Florida.

Security

Vascular Specialists of Central Florida provides a secure server for data but cannot guarantee loss, theft, misuse and unauthorized access, disclosure, alteration and destruction by third parties or sophisticated hackers. . Vascular Specialists of Central Florida cannot warranty that any information will remain secure. It is our policy however not to collect any financial or personal data to be of such use by any potential hacker to the best of our ability.

Data Retention and Contacting Vascular Specialists of Central Florida

We retain your account records when created, until such time Vascular Specialists of Central Florida ceases to exist or you delete your account, or a sponsor or client removes a program offered in our catalogs.

To modify or delete your account or with any other questions, please email aandroski@arteryandvein.com with your concerns.

Cross-border data transfers

Personal information that you submit for publication on the website will be published on the internet and may be available around the world.

You agree to such cross-border transfers of personal information
